

Truck Drivers Wanted!

We are looking to hire truck drivers with flexible schedules to haul hogs of all ages (weaned piglets, nurse piglets, market hogs, replacement gilts). Duties consist of primarily day trips, so you can be assured of being home each evening. Schafer Farms will provide the trailers, and we are flexible about using our tractor or yours. Loads leave from Western Wisconsin and Southeastern Minnesota.

What do we need from you?

- CDL certification
- Clean driving record
- Willingness to learn about basic pig handling skills (though no prior experience is required)
- Flexible schedule and desiring part-time work

Interested?
